Your Property Appraisal

Dear Frank,

Thank you for giving me the opportunity to appraise your property at 26/1198 Gold Coast Highway, we appreciate the confidence you have shown in us.

Having considered your property, I have carefully evaluated recent comparable sales and other properties currently competing on the market along with other factors in order to submit a considered estimate of the selling price achievable.

Comparable sales indicate that at the moment the property sits in the \$690,000 to \$710,000 range in the market.

If you would like a further refined appraisal range, I would be happy to swing by for a brief inspection to understand the features and aspects of the property further.

I hope I can be of service to you in your real estate needs, we are here to help.

Please find your detailed property appraisal via the download link below.
